

Qualsafe Level 2 Award in Understanding Mental Health in the Workplace - 1 day

Throughout this 1 day course, Learners will develop a greater understanding on the importance of positive mental health and wellbeing in the workplace and the role that everyone plays in recognising and handling mental health issues at work. Topics covered include: understanding mental health and its importance, promoting positive mental health in the workplace, common mental health conditions and mental health first aid at work action plan.

The objective of the qualification is to benefit the Learner by educating them in common mental health illnesses such as depression, stress and anxiety, eating disorders, self-harming and suicide.

The qualification includes how to listen to others and provide advice on where to signpost to expert support to assist them in difficult times. The qualification will potential assist with reducing stigma associated with mental health problems in the workplace
