

Level B (Authorised Person for 25kV AC OLE/ 750V DC OLE/ 1500V DC OLE/ Auto Transformer) - Initial

This module is designed to train Level B (Authorised) persons who are responsible for working under direction of the Level A (Nominated) Person to achieve isolations on AC OLE in their daily work.

The aim of the course is to instruct delegates how to determine and fulfil their role and responsibilities when undertaking Level B (Authorised) person's duties and is designed to ensure delegates are fully aware of the dangers that can arise in the course of Level B (Authorised) person's duties.

Successful completion of this course does not mean that the delegate is allowed to carry out Level B (Authorised) person's duties unless under the direct supervision of a mentor during their probationary period, until they have been assessed by a licenced assessor as competent to do so in accordance with NR/L2/CTM/014.

Instructions

Before a person receives Level B (Authorised Person) training, their employer shall confirm the person meets the following:

Must be over 18 years of age; and

Must hold a current valid certificate in First Aid for Electrical Accidents. **Please be advised that a copy of the First Aid certification will need to be provided to Intertrain prior to the day of the training or brought to the course and shown to the trainer at the start of the course. If no certification is provided, candidate will not be eligible to attend the course;** and

Must possess adequate written and verbal communication skills in English, to a level necessary to avoid danger; and

Must hold and bring valid Sentinel Smartcard endorsed with PTS AC at level 3 (competent) and has done so for 12 months; and

Must have had a minimum of 12 months relevant workplace experience (which can be evidenced) in an OLE Maintenance team or Construction team; or have successfully completed a company development programme which has received written acceptance by the Network Technical Head of Contact System.

Meet the medical requirements of Network Rail Standard NR/L2/OHS/00124 Competence Specific Fitness Medical Requirements to minimum medical level 4 plus Network Rail Standard NR/L2/OHS/0120 (Drugs & Alcohol).

Must bring NR/SP/ELP/29987 Working on or Around 25kV AC Electrified lines.

Must bring Full PPE Visibility clothing to RIS-3279-TOM standard (upper and lower body), hard hat, Safety boots with full ankle/mid-sole protection/steel cap toes, gloves and safety glasses.

Please advise of any special needs i.e. dyslexia in advance of the course.

Must Bring Photo ID - For British Nationals, one of the following (**original hard copy - not electronically**): a current and valid branded form of identity token, used for accessing the RMI (Railway Maintained Infrastructure) such as a Sentinel Card; in-date and valid full driving licence; in-date and valid UK Provisional Photo Card Driving Licence; in-date and valid passport, a UK biometric ID Card/Residence Permit (BRP), an Armed Forces Identity Card, a proof of age card recognised under PASS with a unique reference number (this includes the Citizen ID Card), N.I. Electoral Identity Card or a resident permit as per Home Office guidance.

For Non-British Nationals - an in-date and valid passport, Identity Card or Driving Licence from an EU or European Economic Area (EEA) country or a US Passport Card is required (**original hard copy - not electronically**).

It is the Sponsors responsibility to ensure candidates booked onto the course are eligible for the training they are to receive and in line with any relevant medical level or restriction that may apply, in accordance with NR/L2/OHS/00124 Competence Specific Fitness Medical Requirements.

Please be aware that candidates will be treated on a training event as if they are at work and they must comply with the relevant medical policy and bring their Sentinel Smartcard which will be swiped at the start of the course.
