

PTS Practical Event

The PTS course is comprised of two components. There is an e-learning training package followed by a practical training day. Successful completion of the e-learning assessment is required prior to attendance on this practical training day. The aim of this practical course is to instruct delegates on correctly determining their responsibilities and duties when working on or near the line. Candidates must have successfully completed the PTS E-learning Assessment prior to attendance of the PTS Practical and must bring the completed certificate to the course.

Instructions

Candidates Must have successfully completed the PTS E-learning Assessment prior to attendance and must bring the completed certificate to the course. Sponsor must have created a Sentinel profile for the candidate and uploaded a current photograph before course commencement. A valid medical and D&A must also be uploaded prior to course commencement.
