

Monitor Permanent Way Infrastructure (Hot Weather Patrolling) TR 42

This course is designed to train persons who are responsible for undertaking monitoring duties of Track Assets as part of their duties on NWR infrastructure during hot weather. It is designed to develop a person's knowledge, understanding and skills and is therefore particularly suited to persons required to prove their capability in these area.

The aim is to provide delegates with the skills and underpinning knowledge required to monitor Plain Line Track assets during hot weather in line with TR42.

Instructions

It is the Sponsors responsibility to ensure candidates booked onto the course are eligible for the training they are to receive and in line with any relevant medical level or restriction that may apply, in accordance with NR/L2/OHS/00124 Competence Specific Fitness Medical Requirements.
