

Industry Common Induction (ICI) with LU Endorsement - Session 5 (15.00pm)

Introduction

The Industry Common Induction (ICI) provides staff with a health and safety induction for working in construction sites, rail depots and station maintenance. It has been developed by Network Rail, in partnership with ISLG (Infrastructure Safety Liaison Group) and RIAG (Rail Infrastructure Assurance Group). It covers the safety procedures and risks that are common across the rail industry, whatever the role and type of site.

Before attending the ICI Assessment, it is recommended to complete the ICI E-Learning. It is the sponsors responsibility to create the login details to the E-Learning system and register the candidate for ICI.

Assessment Information:

The candidate must achieve at least 80% to pass
Notification for successful candidates onto the Sentinel system

This course enables candidates to also obtain the ICI LU competence.

Instructions

Individual must have a valid Sentinel profile and registered for ICI on the Network Rail E-Learning System.

Please be advised that candidates are only allowed one attempt of the Assessment - should the candidate fail, they need to be rebooked onto an alternative session.

Before attending the ICI Assessment, it is recommended to complete the ICI E-Learning.
