

## Hand Held Applicators - Hydraulic Nozzle Training - PA6A

Pesticides are very widely and successfully used in land-based industries, but they can be potentially harmful substances, therefore it is essential that they are handled, applied and stored correctly, making training essential. Our assessment course in Hand Held Applicators – Hydraulic Nozzle, has experienced instructors who will guide you through the appropriate and safe use of the hand held applicator.

## Instructions

Pre-requisites:

Safe Use of Pesticides (PA1)
