

Medical and/or Drugs and Alcohol Screening (NR)

Intertrain shall contact you regarding your preferred date and time for your appointment. These take place in Jarrow, Newcastle

Intertrain are able to provide Network Rail Medical and Drugs and Alcohol screenings through established, RISQS accredited suppliers.

As a mandatory pre-requisite for working in the rail industry and obtaining your Personal Track Safety competence, all potential candidates must firstly undertake a Network Rail Medical and Drugs and Alcohol screening.

All Medicals are compliant with Railway Group Standard GO/RT3358 and Network Rail Standard NR/L2/OHS/00124. Our screening for Drugs and Alcohol abuse meets the appropriate Railway Group Standard GE/RT 8070 and Network Rail Company Standard NR/L1/OHS/051.

Candidates are permitted to book these services through their sponsor company or on an individual basis.

Candidates can also book individual appointments for Medical or Drugs and Alcohol screenings (rather than a combined appointment) please contact our Customer Service department for further information.
